

PO Box 39
SMITHFIELD 5114
South Australia

SARPRA was incorporated on 18th December 2007 to support the interests and continuing quality of lifestyle of residents in these parks.

We have promoted SARPRA at State and Local Government levels, as well as within Residential Parks in South Australia. The committee meet monthly at the Head Office of COTA at 16 Hutt Street Adelaide. We took part in the formation of our national body (NARPAC) to support residents living in Residential Parks across Australia. SARPRA is a nonsectarian and nonpolitical body.

Our funds come from Membership fees and applying for Government grants.

Membership fee is \$10.00 per site and payable annually to the Treasurer or to your Residential Committee Representative by 31st August each year. Our Annual General Meeting is held in November. Financial members are invited to attend.

Membership is available to permanent residents of a Residential Park who accept the objectives and rules of SARPRA. Membership shall cease if the Resident/s leave the residential park.
